

new extended hours

Opioid Management Clinic

From the 14th of March 2024, the Opioid Management Clinic (OMC) hours of operation will be extended; increasing the capacity to provide support to new patients

- **Mondays 11:30am - 3:30pm** (telehealth only)
- **Thursdays 8:30am - 12:00pm** 28 Victoria Street, Bakery Hill
- **Fridays 8:30am - 3:30pm** 12 Lilburne Street, Lucas

The OMC can provide expert advice for cases when:

- Commencing Opioid Dependence Treatment (ODT) or changing the dose form
- There is a need for a review of a patient on ODT
- There are concerns about a patient's opioid use, including in chronic pain conditions
- There is concern about a patient's opioid use in combination with alcohol or other drugs
- There is concern about a patient's risk of opioid overdose

Consultations, including case conferencing are available by appointment only

All consultations require referral from a medical practitioner

- ✓ No out of pocket costs to patients
- ✓ Telehealth available - patients are not required to travel
